Camden Rotary Club Distributes Dictionaries to Students

The Camden Rotary Club will distribute a personal dictionary to each of the 1,170 third grade students and their teachers in the City of Camden Public Schools on Tuesday, November 10th. This is the eight year that Camden Rotary, the 59th club in Rotary International, has provided dictionaries to the third-grade students.

Camden Rotary is made up of business and professional men and women whose motto is: "Service above self". It is part of the 1.2 million member Rotary International (RI). As part of their "Literacy Project", in addition to distributing dictionaries, the members read to Camden students in Pre-K through second grade. RI has many world wide projects including an effort to provide clean water to all and to eradicate polio throughout the world.

Dudley Elementary School, 2250 Berwick Street, Camden, NJ will be the district site for photo opportunities this year.
