National Job Shadowing is an academically motivating educational initiative that aims to provide students throughout the country a first-hand look at what a "real job" is like. Furthermore, it allows students to see the connection between what they learn in the classroom, and some of the skills necessary to achieve their future professional goals. Motivational speakers for the event will be: Debbi Christiansen, YTTW Coordinator, Jacqueline Carter, CTE Consultant, Jacqueline Jefferson, Supervisor of Guidance and Alberta Ferebee, Owner of Aunt Berta's Kitchen.
