Hatch Family School Closed Until September 25, 2012

CAMDEN, NEW JERSEY- The Camden City Public School District is coordinating with the Camden County Health Department to provide assistance with air quality testing as a result of a busted water line in the wall which flooded the basement storage room at the Hatch Family School.

Hatch Family School will remain closed through Tuesday, September 25, 2012 to ensure all safety precautions and conditions are met. The District is closed on Wednesday, September 26, 2012 in observance of Yom Kippur. School will resume for students and staff on Thursday September 27, 2012.

Questions regarding this advisory can be directed to the Office of the Superintendent, (856) 966-2040.
