## What our clients are saying:

"Working Advantage Gift Certificates are a wonderful way to recognize staff for their hard work and dedication. Our staff has commented on the ease of selecting a gift and the variety of gifts to choose from. We are pleased to have such a great "working relationship" with your fine company."

—*American Cancer Society*

"Working Advantage Gift Certificates provide an excellent way to deliver on-the-spot rewards to employees. And the intrinsic rewards are just about fool-proof: employees feel good about being recognized in a timely manner, and managers feel good about recognizing employees! Working Advantage has successfully fulfilled a need in our rewards program."
