## **Writing**

### **Modeled/Shared Writing**

Group Writing

For each of the group writing experiences, the teacher distributes pictures of colonial life or the Old West. Students have an opportunity to talk with a partner about what is happening on the picture. When the teacher brings the group back, together, he/she asks for volunteers to share what is in their picture with the whole group. The students are prompted to use sentences frames and/or TPR to describe their picture. Then the child brings the picture up to the chart and the teacher writes the child's description on the chart using predictable text. Includes modeling of purpose and use of capitalization and punctuation in a sentence.

### **Modeled/Shared Writing**

Group Writing: Descriptive retelling of a read aloud

The teacher uses a graphic organizer appropriate for retelling that will guide students in the completion of their writing.

### **Independent Writing**

Writing about Reading

Student respond to questions about texts.

- *¿Cuáles son algunas cosas que no usamos ahora?*
  - **Según el texto, a.....**
- *¿Cuáles son algunos de los problemas?*
  - **Según el texto, a.....**

Encontrar por lo menos tres (3) palabras que los estudiantes no conocen. Entonces, deducir el significado de las palabras por su contexto.

### **Independent Writing**

Each student will write about the similarities of colonial life and life in the Old West.

**ENGAGING STUDENTS • FOSTERING ACHIEVEMENT • CULTIVATING 21<sup>ST</sup> CENTURY GLOBAL SKILLS**

**Word study and fluency**

- Using dictado created from the text of LEA, the teacher provides mini lessons on the following:

Foci of Mini Lessons

- Strong and weak vowels
  - Identify strong vowels (a, o, u) vs. weak vowels (i, e)
  - Identify that a weak vowel must always be accompanied by a strong vowel and this creates a diphthong
- Diphthongs (ea, ue, ua)
  - Identify the individual sounds together form a diphthong
  - Identify which vowel is the strong vowel/weak one
- Sentence Features
  - Punctuation with interrogative/ exclamatory sentences (i.....?/ i.....!)
  - First word capitalized
- Accent
  - Can change meaning of word

*Summative Assessments are administered at this point, which is considered the end of the unit.*

**The Bridge: Strengthening Bridges between Languages**

**Language of instruction:** Spanish to English

- Students collaboratively choose key words from unit of study, in Spanish
- TPR; students collaboratively create movements to associate with each key word.
- Students and teachers move to English, and associate each movement with the word in English. Students provide the English equivalent that they know, and teacher provides those terms students do not know in English.

**Metalinguistic Focus**

The *Language and Reading Foundational Standards* will be used as the metalinguistic focus for the Bridge. The following is a sample of possible foci for the Bridge. Teachers would use student writing, observations made by students, and the standards/learning targets found above for language and foundational skills as possible foci for the Bridge.

- Morphology – Example: Des/dis – students will identify affixes that have the same meaning in both Spanish and English
- Phonology o f/ph – students will identify the sound /f/ can be written ph in English but only f in Spanish
- Syntax and grammar o The use of accents in words is specific to Spanish
- Beginning and end sounds
